Agenda

1. Presentation and Public Comment Regarding Chapter 200 - Inpatient Hospital Services policy; Chapter 400 - Mental Health and Alcohol and Substance Abuse Services; and Chapter 100 - Medicaid Program

The purpose of this workshop is to discuss and solicit comment from inpatient hospitals and other stakeholders regarding proposed changes to Medicaid State Manual (MSM) Chapters 200, 400 and Chapter 100.

MSM Chapter 200, Inpatient Hospital Services, will be revised to include an AUTHORIZATION section heading, and authorization requirements will be reformatted and renumbered to be more clear and concise. Policy will be added regarding the evaluation of medical necessity and appropriateness of inpatient admissions and clarify inpatient admissions that do not require authorization. Policy will be changed and added to extend provider authorization submission timeframes for most non-elective inpatient admissions, concurrent reviews and in-house retro eligible newborns. Policy will be added regarding a change in a recipient's eligibility between Fee-for-Service (FFS) and Managed Care Organizations (MCOs) during an inpatient stay. The elective cesarean section prior authorization requirement will be deleted. Relevant Authorities will be added. Attachment A Policy #02-04, Hospitals with Swing Beds, will be restructured and moved to Section 203.3.

MSM Chapter 400, Mental Health and Alcohol and Substance Abuse Services, will be modified to align with Chapter 200 added language, extending authorization request submission timeframes for inpatient psychiatric and alcohol/substance use disorder emergent admissions, concurrent requests, and a change in a recipient's eligibility between Fee-for-Service (FFS) and/or Managed Care Organizations (MCOs).

MSM Chapters 400 and Chapter 100, Medicaid Program, will be modified to align with Chapter 200 added language, extending authorization request submission timeframes when a provider is not enrolled with Nevada Medicaid at the time of a recipient's admission.
